BACKYARD MISSION TRIP ANNOUNCES THE CANCELLATION OF THEIR AUGUST 1, 2020 EVENT

It is with deep sadness and heavy hearts that we announce the cancellation of this year's Backyard Mission Trip scheduled for Saturday, August 1, 2020, because of the growing concerns related to Covid-19 in Hancock County. Every year, we look forward to connecting with our volunteers and homeowners. It is out of the love we have for our neighbors that we've made the difficult decision to cancel our community mission trip.

We know that this will come as an enormous disappointment, to our church partners, volunteers, and homeowners, which is what made it such a hard call. The Backyard Mission Trip is an incredibly important event and one that many look forward to annually. We explored multiple ways to move forward with the event, but we need to prioritize the health and safety of everyone involved.

We remain committed to serving the communities of Hancock County and have scheduled our 2021 event for Saturday, April 24. Please look for additional details as we get closer to that date. With these uncertain times, we pray an extra measure of safety and health around our entire community and the people we serve.
