BUILDING A TEAM – Please wear your Yellow Shirt from Previous Years on April 30!

- I've spread the word to recruit 5 - 10 team members using Church social media, bulletins, community board and morning announcements, mission moments, study groups, and email blasts.
- My team members know why lifting up community through service to others is so important. Consider recruiting a team member as a family advocate to spend time with the family while working at their home.

PREPARATION FOR OUR BACKYARD MISSION TRIP

- Attend 1 Team Leader Meeting to receive event info and pick up my team t-shirts for those that don't have their shirt from previous years. Donations accepted for the t-shirts, turn money in at Team Leader Meetings. See the EVENTS on the BMT website for dates, times and location <https://findlaybmt.com/>
